Subject: 2012 Walk to End Alzheimer's at the Durham Bulls At...

Dear Mayor Bell and City Council,

This is my annual visit with Wool E. Bull to promote our Walk to End Alzheimer's at the Durham Bulls Athletic Park on Saturday, September 15th, 2012.

I greatly appreciate the opportunity to appear before the council at this time to have the City of Durham promote the WALK to its employees and community leaders.

Last year the city formed a team and we would welcome that for 2012.

Sincerely,

Lisa Roberts, Executive Officer- Eastern North Carolina
Alzheimer's Association.
